

# POOL SAFETY COVERS

## SUPERIOR WORKMANSHIP

Our pool safety covers are crafted with precision and durability in mind:

- Full continuous premium webbing on both top and bottom for enhanced strength.
- 1" chafe strip extends from cover edge beyond pool coping to protect both the cover and the pool.
- High-density mesh provides superior sunlight blockage, reducing algae buildup.

## THE ULTIMATE SHIELD FOR YOUR POOL

Advanced Textiles offers high-quality pool safety covers designed for durability, safety, and aesthetic appeal. Our covers provide peace of mind by ensuring protection for families while maintaining the pristine condition of pools during the off-season.

# QUALITY, SAFETY & PEACE OF MIND

## WHY CHOOSE ADVANCED TEXTILES POOL SAFETY COVERS?

- Enhanced Safety Prevents accidental pool entry, ensuring a safer environment for children and pets.
- Premium Quality Materials Engineered for longevity and performance in all weather conditions.
- Custom Fit Options Available in a variety of shapes and sizes to perfectly match any pool design.
- Hassle-Free Maintenance Designed for easy installation and removal, making seasonal changes effortless.

Our ATT mesh covers are available in both Standard Density and High Density to suit your specific needs.
