# OUR APPROACH

Proudly Canadian-made, we're committed to building a self-sustaining future through innovation, responsibility, and locally driven solutions.

## Sustainability & Innovation at Advanced Textiles

- **Sustainability at the Core**
  - Every product is designed with long-term functionality and environmental responsibility in mind.
  - Innovation focused on sustainable, high-performance solutions.
- **Eco-Conscious Operations**
  - Energy-efficient equipment and innovative manufacturing practices.
  - Continuous process evaluation to reduce environmental impact and carbon footprint.
- **Sustainable Material Sourcing**
  - Work with suppliers aligned with our values of quality and sustainability.
  - Use recyclable, non-toxic, UV-stable fabrics.
  - Prioritize Canadian/North American materials to cut transport emissions and support local suppliers.
- **Waste Reduction**
  - CNC cutting minimizes offcuts and fabric waste.
  - Unused materials are repurposed when possible.
  - Remaining waste is responsibly sorted and recycled.
- **Future-Focused Innovation**
  - Ongoing exploration of greener materials and technologies.
  - Commitment to delivering custom-fit solutions without compromising environmental values.

Proudly Canadian. Globally Competitive

**Advanced Textiles, based in Sudbury, Ontario is a full-service soft goods fabricator providing premium capabilities to all industries throughout Ontario and Nationwide.**

- Handles projects of any size with advanced equipment.
- Uses cutting-edge tech and software for top-quality results.
- Offers custom 2D/3D pattern design for textiles.
- Provides fast estimates, prototyping, and precision cut & sew services.

Proudly Canadian. Globally Competitive

## Custom Soft Goods Solutions with Cutting-Edge Technology and Expert Craftsmanship

We are on a mission to deliver high-quality, custom textile solutions through innovative design, sustainable practices, and Canadian craftsmanship that exceed customer expectations.

Our Vision is to lead the Canadian textile industry with forward-thinking solutions that set the standard for quality, performance, and sustainability. We aim to shape a future where durability, customization, and environmental responsibility go hand in hand.

### Mining & Industrial

Built for the toughest environments, our industrial solutions withstand heavy use and extreme conditions.

- ✓ Reinforced heavy-duty fabrics
- ✓ Custom-fit protection
- ✓ Safety-focused design

### Recreation & Residential

We restore, protect, and enhance your outdoor and recreational gear for year-round use.

- ✓ Weather-resistant materials
- ✓ Comfort-driven design
- ✓ Tailored upholstery services

### Transport & Soft Goods

Protect your vehicle, gear, and cargo with durable, precision-fit textile solutions.

- ✓ Custom vehicle covers
- ✓ Load-securing nets
- ✓ Cold-climate protection

### CNC Cutting

Accurate, efficient, and scalable fabric cutting for all project types and materials.

- ✓ Precision fabric cutting
- ✓ Rapid batch production
- ✓ Minimal material waste

## PRODUCT & SERVICE LINE

### MINING & INDUSTRIAL

- ✓ Loading Bags
- ✓ Mining Filter Bags
- ✓ Welding Blankets
- ✓ Mining Backpacks
- ✓ Dust Covers
- ✓ Fall- Arrest Netting
- ✓ Barricade Safety Nets
- ✓ Industrial Tarps
- ✓ Cam Buckle & Ratchet Straps
- ✓ Equipment Covers

### TRANSPORTATION

- ✓ Bug Screens
- ✓ Winter Fronts
- ✓ Web Cargo Netting

### POOL SAFETY COVERS

- ✓ Full range of custom pool- safety covers

### COMMERCIAL

- ✓ Restaurant Seating
- ✓ Custom Bags
- ✓ Awnings & Shades
- ✓ Seat Recovering
- ✓ Chair Recovering

### SOFT GOODS MANUFACTURING

- ✓ Trailer Covers
- ✓ Vinyl Covers
- ✓ Tarps
- ✓ Other Vinyl Goods

### RECREATIONAL & RESIDENTIAL

- ✓ Snowmobile Seat Recovering
- ✓ Boat Seat Repairing
- ✓ Cushion Recovering
- ✓ Patio Furniture Covers
- ✓ Custom Mooring Covers

### CNC CUTTING SERVICES

- ✓ Efficient fabric cutting across all material types, from light to heavy industrial materials, leveraging Eastman Eagle CNC cutting table for precision

## Loading Bags

### Mining

- **Safe & Secure:** Engineered for the safe containment and delivery of explosive compounds.
- **High Capacity:** Designed for maximum holding capacity in varied custom size
- **Durable:** Built to withstand rigorous blasting operations.
- **Controlled Delivery:** Facilitates precise and efficient blasting into earth surfaces.
- **Enhanced Safety:** Maximizes safety in all blasting operations.

## Mining Filter Bags

### Mining

- **Superior Filtration:** Traps fine dust and particulates for cleaner air.
- **Built Tough:** Industrial-grade textiles withstand high pressure without breakdown.
- **Enhances Operations:** Improves air quality and material separation efficiency.
- **Custom Fit:** Tailored for seamless integration into your specific setup.

## Custom Tool Bags

### Mining

### Industrial

- **Rugged Performance:** Carries tools, meters, and gear across tough job sites with ease.
- **Extreme Durability:** Features reinforced stitching and weatherproof materials for lasting strength.
- **Customizable:** Add tool loops or internal organizers to fit your exact needs.

**Our expertise in mass production extends across various industries.**

We provide durable solutions such as transport and truck covers, insulated and non-insulated tarps, insulated covers, and essential accessories like buckles, straps, and ratchets. No matter the scale or industry, we deliver reliable, precision-crafted textile solutions tailored to your needs.

## Cam Buckle & Ratchet Straps

Mining

Industrial

- **Secure Your Load:** Rugged cam-buckle & ratchet straps for confident industrial & transport securing.
- **Unmatched Durability:** Built to withstand extreme tension & weight without fraying.
- **Customizable:** Available in various lengths, strengths, and hardware options.

## Custom Equipment Covers

Industrial

Mining

Commercial

- **Ultimate Gear Protection:** Custom-fitted covers safeguard valuable equipment from weather, UV, dirt, and moisture.
- **Built to Last:** Durable, weatherproof, and UV-resistant materials ensure longevity and reduced wear.
- **Precision Fit:** Designed and built to your exact dimensions and specific usage requirements.

## Industrial Tarps

Mining

Industrial

- **Extreme Protection:** UV-resistant, waterproof, and tear-proof for ultimate safeguarding.
- **Versatile Use:** Ideal for machinery, job sites, and transport needs.
- **Custom-Built Durability:** Custom-cut and edge-reinforced for long-lasting performance.

**With decades of hands-on experience**, Advanced Textiles specializes in precision-crafted, custom textile solutions tailored to a wide range of industries. Our skilled team combines technical know-how with cutting-edge CNC technology to ensure every product fits perfectly and performs exceptionally.

## Welding Blankets

Mining

Industrial

- **Ultimate Protection:** Safeguard crew and work surfaces from heat, sparks, and slag.
- **Extreme Heat Resistance:** Made from fire-retardant, flexible fabric for exceptional thermal performance.
- **Essential Welding Safety:** A must-have for any professional welding environment.

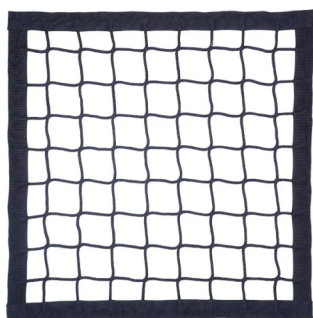

## Dust Covers

Industrial

Mining

Commercial

- **Precision Protection:** Custom-made covers shield equipment (machinery, electronics, transport) from dust and debris.
- **Breathable & Resilient:** Engineered to be breathable while resisting moisture for optimal equipment health.
- **Perfect Fit:** Precision sizing ensures a professional, secure fit for all your valuable assets.

## Safety Nets

Mining

Industrial

Commercial

- **Clear Zone Demarcation:** Bright, durable netting for visible restricted zone marking.
- **Tough & Weather-Ready:** Highly visible and weather-resistant for construction, mining, and events.
- **Effortless Setup:** Lightweight design ensures quick, easy deployment and takedown.

COMMERCIAL  
SOLUTIONS

## Custom Restaurant Seatings

Commercial

- **Seating Transformation:** Refresh or replace restaurant seating with custom upholstery.
- **Durable & Stylish:** Utilizes commercial-grade, easy-to-clean fabrics built for longevity.
- **Full Service:** Includes foam replacement and complete reassembly.

## Custom Bags

Commercial & Industrial

- **Versatile & Strong:** Custom fabric bags for retail to industrial use, combining strength with smart design.
- **Tailored to Your Needs:** Custom dimensions, branding, and reinforcements available as needed.
- **Multi-Purpose:** Perfect for tools, promotions, or product packaging.

## Seat & Chair Recovering

Commercial

- **Seating Revitalization:** Give chairs new life with high-quality textile recovering.
- **Complete Service:** Our team handles fabric removal, reassembly, and uses strong, attractive materials.
- **Cost-Effective Refresh:** A smart way to update seating without the expense of full replacement.

RECREATION &  
RESIDENTIAL  
SOLUTIONS

## Custom Seat Repairing

Residential

- **Recreational Seating Restoration:** Expert repairs for snowmobiles, boats, and outdoor cushions.
- **Built for Canadian Conditions:** We replace damaged vinyl, foam, and fabric with weather-resistant, UV-resistant materials.
- **Custom Comfort & Durability:** Restore comfort and durability with custom styles and tailored fits for marine, patio, and snowmobile seating.

## Custom Furniture Covers

Residential

Commercial

- **All-Season Furniture Protection:** Custom-fitted covers shield outdoor furniture from sun, rain, snow, and dust.
- **Premium Durability:** Made with UV- and mildew-resistant fabric to keep furniture looking new and reduce wear.

## Custom Mooring Covers

Recreational

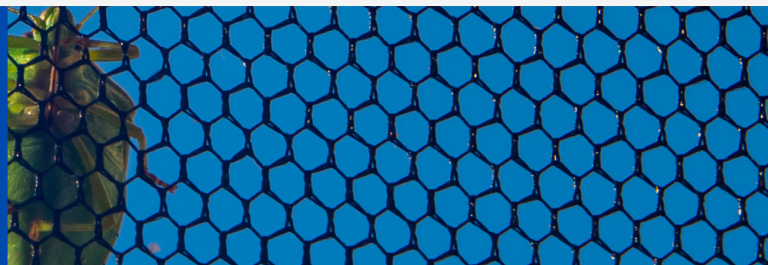

- **Precision Protection for Your Boat:** Safeguard your vessel with custom-fit mooring covers, built tough for Canadian weather.
- **Marine-Grade Durability:** Crafted from water, UV, and abrasion-resistant fabrics; easy to fasten, secure in wind, and stylish.

TRANSPORT  
SOLUTIONS

## Bug Screens

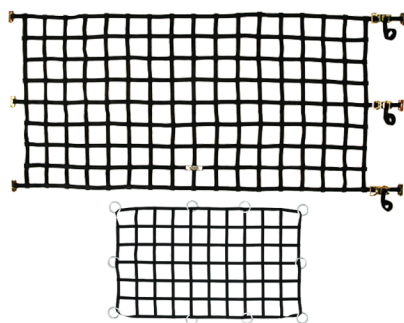

Transport

- **Engine Protection:** Stop insects and debris from clogging engine grilles with custom bug screens.
- **Optimal Performance:** Strong mesh and reinforced edging maintain airflow while providing lasting protection.
- **Easy & Secure:** Simple installation with removable options available for convenience.

## Winter Front

Transport

- **Engine Protection in Winter:** Safeguard engines from frigid temperatures and accelerate warm-up times.
- **Heavy-Duty Performance:** Durable panels efficiently block cold air for trucks and heavy-duty vehicles.
- **Customizable Fit:** Available with custom shapes, closures, and branding to meet specific needs.

## Web Cargo Netting

Transport

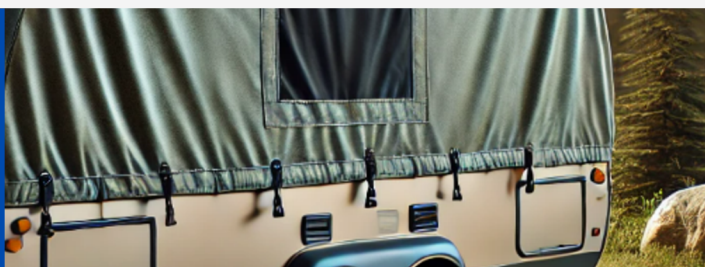

Industrial

- **Unrivaled Load Security:** High-tension cargo netting with strong webbing and reinforced joints keeps loads safe and secure.
- **Versatile & Dependable:** Ideal for trucks, trailers, and off-road gear, available in fixed or adjustable formats with various hook/loop systems.

## SOFT GOODS MANUFACTURING SOLUTIONS

### Custom Trailer Covers

#### Residential

- **All-Weather Trailer Protection:** Tough, water-resistant covers shield trailers from weather, debris, and theft.
- **Custom Fit & Durability:** Custom sizes ensure a snug fit, with optional reinforcement for extended life.
- **Versatile Use:** Perfect for boats, ATVs, or general cargo trailers.

### Custom Tarps

#### Industrial

- **Versatile Protection:** Tarps are manufactured for every purpose – trucking, construction, farming.
- **Built to Last:** Crafted from premium materials with reinforced edges and grommets for durability.
- **Customizable:** A Wide range of sizes and weights is available to suit your specific needs.

### Other Custom Vinyl Goods

#### Recreational

#### Residential

#### Commercial

- **Custom Vinyl Fabrication:** We create specialty vinyl products like divider curtains, wall panels, and containment covers, cut and sewn to order.
- **Superior Protection:** Our industrial-grade vinyl covers offer water-, UV-, and mildew-resistance for machinery to outdoor storage.
- **Tailored to Your Needs:** Custom specs, including dimensions, colors, weights, and finishes, are available to bring your idea to life.

# Cutting-edge accuracy, speed, and scale — for any textile project.

Since 2010, we've turned ideas into stitched realities - from one-offs to production runs, we've got you covered.

**15K+**  
Happy Clients

**We offer consistent, clean, and highly accurate cuts for all fabric types, from lightweight textiles to heavy-duty industrial materials.**

At Advanced Textiles, we pride ourselves on delivering top-notch CNC cutting services that cater to the diverse needs of our clients.

- ✓ Precision cutting
- ✓ Cost-Effective and Waste Reduction
- ✓ Versatility Across Custom Materials

## State-of-the-art Technology

Our best cutting technologies deliver top-tier precision and performance

## Expert & Quality Driven Team

Our skilled team of professionals has years of experience working with CNC cutting and a wide variety of materials.

## Rapid Prototyping & Scalability

We can deliver custom patterns and cuts for quick prototypes or samples, helping you move faster in your development stages.

CUSTOM  
POOL SAFETY  
COVERS

**Our custom pool safety covers are built for your comfort — peace of mind guaranteed.**

## THE ULTIMATE SHIELD FOR YOUR POOL

Advanced Textiles offers high-quality pool safety covers designed for durability, safety, and aesthetic appeal. Our covers provide peace of mind by ensuring protection for families while maintaining the pristine condition of pools during the off-season.

SAFE

PREMIUM

CUSTOM

DURABLE

## SUPERIOR WORKMANSHIP

Our pool safety covers are crafted with precision and durability in mind:

- **Full continuous premium** webbing on both top and bottom for enhanced strength.
- **1" chafe strip** extends from cover edge beyond pool coping to protect both the cover and the pool.
- **High-density mesh** provides superior sunlight blockage, reducing algae buildup.

# QUALITY, SAFETY & PEACE OF MIND

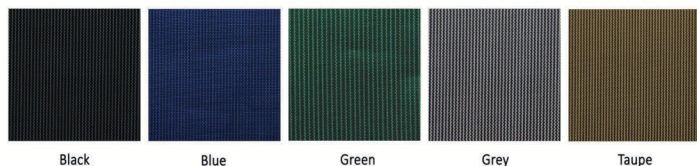

## WHY CHOOSE ADVANCED TEXTILES POOL SAFETY COVERS?

- **Enhanced Safety** – Prevents accidental pool entry, ensuring a safer environment for children and pets.
- **Premium Quality Materials** – Engineered for longevity and performance in all weather conditions.
- **Custom Fit Options** – Available in a variety of shapes and sizes to perfectly match any pool design.
- **Hassle-Free Maintenance** – Designed for easy installation and removal, making seasonal changes effortless.

*Our ATT mesh covers are available in both Standard Density and High Density to suit your specific needs with **10-year limited warranty\****
